Fight, Iczer One!!
Act III : The Final Chapter

* * * * *

Iczer Robo and Iczer Sigma are facing each other preparing for the battle.

ICZER ONE
Nagisa, stay calm!

ICZER TWO
They're coming, Cepia!

CEPIA
Yes, ma'am.

Iczer Robo attacks, but it does not work on Iczer Sigma.

ICZER ONE
It's not real!?

Iczer Sigma attacks back. Iczer Robo loses its right arm. Since Iczer Robo is a part of Iczer One, she is also damaged.

NAGISA
Iczer One! Iczer One!!

ICZER TWO
You can't defeat my Iczer Sigma with such a flimsy power! I'll kill you. Cepia! Avenge Cobalt's death!

CEPIA
Look at us, Cobalt. We will win!

ICZER TWO
How's this? Iczer Robo!

SAYOKO
One-chan![1] One-chan! Nagisa One-chan!

NAGISA
Sayo-chan? No, Sayo-chan, don't come out!

SAYOKO
Don't lose! One-chan, don't lose!

ICZER TWO
What!?

CEPIA
A child? Why is she in such a place? Iczer Two, she is just a child, leave her alone and finish Iczer Robo!

ICZER TWO
Kill.

NAGISA
Don't!!

NAGISA
Sayo-chan, Sayo-chan!

ICZER TWO
It's time to die! Eat this!

Iczer Robo grabs Iczer Sigma's arm.

ICZER TWO
It's impossible.

ICZER TWO
Iczer Robo, I'll finish this. Cepia!?

CEPIA
Ah - Yes!?

ICZER TWO
What has happened to you? Concentrate your mind.

CEPIA
Y-Yes, Iczer Two.

ICZER ONE
Nagisa, what is this power??

NAGISA
Sorry, Sayo-chan...

Iczer Robo and Iczer Sigma both emit beams, but Iczer Robo's beam overrides the other, and Iczer Sigma is hit.

ICZER TWO
Cepia!

---

[1]Big sister.

CEPIA
Cobalt... I'm sorry.

Iczer Sigma explodes. Just before Iczer Sigma is completely destroyed, Iczer Two escapes.

ICZER ONE
Iczer Sigma. . . It was a dreadful enemy. Nagisa, Nagisa. She is all right.

NAGISA
...!?

ICZER ONE
She is protected by my ring. Don't worry.

NAGISA
Really? Really?

ICZER ONE
Yes.

NAGISA
Thank you, thank you, Iczer One! I love you!

ICZER ONE
Nagisa...

* * * * *

They get out of the robot and find Sayoko. She is unconscious but doesn't look injured.

NAGISA
Sayo-chan... Thank you, God... Oh, God... Sayo-chan...

ICZER ONE
Nagisa, we must take Sayo-chan to Safe Place.

NAGISA
Safe Place?

ICZER ONE
The entire earth is not yet under monsters' control. We must take her to a place where the monsters are not in control.

NAGISA
Okay.

ICZER ONE
We must stop Cotuwolf's invasion as soon as possible. Nagisa, you will fight with me against Cotuwolf and Big Gold, won't you?

NAGISA
I know. . . I'll do my best.

* * * * *

In the dark, Iczer Two is inside the recovery capsule.

ICZER TWO
Cure-Rate 80%. But why was Cepia disturbed? We were winning... Where did Iczer Robo's power come from? It means that earthling, Nagisa Kano has an ability superior than Cepia? Nagisa. . . I want her. I can defeat Iczer One any time I want, but I must save my pride. Reddus! Blueber! Come with me.

* * * * *

SIR VIOLET
Forgive me, Big Gold. I did not expect this... Big Gold? .....!?

BIG GOLD
It's all right, Sir Violet.

Sir Violet is remembering what has happened to her.

BIG GOLD
I will realize your wish, Sir Violet.

SIR VIOLET
No, I don't wish this! No! I... I... Ahhhh! Big... Gold...

Now she remembers everything, and is no longer under Big Gold's control. However, Sir Violet fell down on the floor.

BIG GOLD
My mother, Sir Violet... I don't understand the humans. Iczer Sigma was supposed to be invincible... I will go to the Earth, to destroy Iczer One and the human girl, Nagisa.

* * * * *

SAYOKO
One-chan, please promise me you will come back.

NAGISA
Don't worry, Sayo-chan, I will come back. So, wait for me. See you soon.

SAYOKO
One-chan, good luck!

NAGISA
Sayo-chan...

* * * * *

NAGISA
Does it hurt?

ICZER ONE
A little.

NAGISA
You need a doctor. What can I do?

ICZER ONE
Don't worry. Anyway, I don't think human drugs can work on me.

NAGISA
But...

ICZER ONE
Thank you, Nagisa.

NAGISA
Say, Iczer One?

ICZER ONE
Yes?

NAGISA
You are an alien... then, why do you fight for us?

ICZER ONE
I am an artificial humanoid made by Cotuwolf.

NAGISA
An artificial humanoid?

ICZER ONE
I'm not quite sure why I am fighting. I think, Nagisa, you will tell me that, as my partner.

NAGISA
I don't know...

ICZER ONE
I am sorry, Nagisa.

NAGISA
Let's go beat Big Gold!!

ICZER ONE
O.K. Nagisa.

ICZER TWO
You don't have to!!!

ICZER ONE
Iczer Two!!

ICZER TWO
Nagisa, I will take you to meet my mother.

ICZER ONE
You. . .!? Nagisa!?

ICZER TWO
Those two are your playmates, big sister! Reddus! Blueber! Go!!

While Iczer One is fighting with Reddus, Blueber captures Nagisa.

ICZER ONE
Nagisa!!

Reddus creates a warpspace around all of them.

ICZER TWO
See you later, big sister... if you are alive.

ICZER ONE
Wait! Iczer Two!

ICZER ONE
I won't lose! I must save Nagisa!

* * * * *

NAGISA
Where am I?

ICZER TWO
Welcome, Nagisa, to our fortress.

NAGISA
Why did you. . .?

ICZER TWO
Mother!

NAGISA
Big Gold?

BIG GOLD
There is no biological difference between human and Cotuwolf. It is true for this girl. Then, how can she produce such power when she unites with Iczer One...? I don't understand.

NAGISA
Give back our planet! What have we done to you, Big Gold!?

BIG GOLD
I will tell you, Nagisa Kano. This is me.

NAGISA
A machine?

BIG GOLD
A machine. . . That is my essence. A long time ago, I lived and died a human. But my essence was drifting in space and I was reborn. Two things are responsible for my rebirth. One is the leader of Cotuwolf, Sir Violet, and the other is my enemy, Iczer One.

NAGISA
Iczer One?

BIG GOLD
Soon I will destroy that enemy. If I kill you now, Iczer One will be no match for us.

ICZER TWO
Please wait, give the girl to me.

BIG GOLD
Do you want her, my child?

ICZER TWO
Yes, ma'am.

BIG GOLD
All right, you may keep her.

ICZER TWO
Thank you very much, Mother.

* * * * *

In Earth orbit sits an Earth Defense Force space station...

COMMANDER
Have you received any communication from Earth?

OPERATOR
No, sir. It has been 48 hours since the last communication, and I still haven't received anything, sir.

VOICE
Commander, maybe the base is already controlled by the aliens.

COMMANDER
Ummm... Is the FJ-3 ready to launch yet?

OPERATOR
It is completed, sir.

COMMANDER
Launch it. Attack the aliens on the other side of the Moon!

VOICE
FJ-3, launch.

CAPTAIN
Roger.

NAVIGATOR
Captain, a high energy reading is approaching.

CAPTAIN
What!? What is it?

NAVIGATOR
Well, sir... It suddenly appeared in empty space. The station and our ship cannot avoid it!

CAPTAIN
It's too late, sir!!

The FJ-3 and the satellite are destroyed, and that energy reading was Big Gold. The Earth now appears to be completely taken over by monsters.

* * * * *

Nagisa is locked up in a room.

ICZER TWO
Well, Nagisa, have you made up your mind?

NAGISA
Made up my mind?

ICZER TWO
(very soft tone)
Stupid. You will be mine.

NAGISA

I'll be yours?

ICZER TWO

My partner. You will be my partner and we will defeat Iczer One and control the Earth. No, the entire Universe.

NAGISA

No! No way!

ICZER TWO

My cute Nagisa, how can you say that? For weak humans, look.

(A Bedem appears)

See, do you want to be like your parents?

NAGISA

D-Don't...

ICZER TWO

If you don't say "yes", those tentacles will slowly enter your body.

NAGISA

No, even if I died, I won't cooperate!!

ICZER TWO

What!?

NAGISA

Why don't you kill me right now!

ICZER TWO

I see. I'll kill you, then.

NAGISA

Help! Iczer One! Iczer One!

* * * * *

Iczer Robo appears in warp space, recovering the unconscious Iczer One.

ICZER ONE

Iczer Robo!? Nagisa is calling, isn't she?

Iczer Robo teleports near the Cotuwolf's fortress on the Earth.

ICZER ONE

Iczer Robo, give me all power you have left!!

ICZER ONE

Iczer Robo, full power!!!

Iczer One infiltrates into the fortress.

ICZER ONE

Iczer Robo, thank you for the long time you fought with me.

NAGISA'S VOICE

Help! Iczer One!

ICZER ONE

That is Nagisa's voice!

* * * * *

Iczer One appeared in thin air. But enemies were waiting for her. The monsters surround Iczer One, and Iczer One tries to fight with a laser sword. However, it suddenly disappears.

ICZER ONE

No energy!?

Iczer One falls down on the floor after receiving a kick from Blueber. Suddenly Nagisa appears.

ICZER ONE

Nagisa... Nagisa, you are all right?

Nagisa shoots Iczer One.

ICZER ONE

Why???

ICZER TWO

Big Sister, let me introduce my partner, Nagisa Kano.

ICZER ONE

No... I heard Nagisa's voice, I heard...

ICZER TWO

How do you like this, Iczer One? You will be quite satisfied if you are killed by her won't you? Nagisa, finish her!

NAGISA'S VOICE

Iczer One.

ICZER ONE

Nagisa!

NAGISA'S VOICE

I'm sorry, it's hopeless. I can't control myself anymore. So... so, shoot me! Kill me!

ICZER ONE

Nagisa!

NAGISA'S VOICE

Hurry! If you don't kill me soon, I will actually kill you!

ICZER TWO

Interesting. Can you shoot her, Iczer One?

ICZER ONE

I can't! Nagisa... I can't shoot you... I can't!!

NAGISA'S VOICE

Iczer One, if we loose you, what will happen to the Earth!? Please! Fight, Iczer One!!

ICZER ONE

Nagisa--!!

Iczer One shoots Nagisa, and runs up to her.

ICZER ONE
Nagisa...

NAGISA
Thank you, Iczer One. You must win... win...

ICZER ONE
(crying)
Nagisa...!

Nagisa's spirit rises from her corpse and enters Iczer One. Suddenly, she is full of energy.

ICZER ONE
This... this is... this is SYNCHRONIZATION!!!

Iczer One emits a energy blast, destroying all monsters, including Bluebeer.

ICZER TWO
Iczer One, that is Nagisa's power, too.

ICZER ONE
If you understand it, there is no need to fight, Iczer Two.

ICZER TWO
At last, I couldn't defeat Nagisa... But, Sister! I will defeat you, Iczer One! I... I was made for that reason... only for destroying Iczer One... I am Iczer Two!!!

ICZER ONE
Don't...

ICZER TWO
Sister, if you don't defeat me, you cannot get to Mother.

Iczer One defeats Iczer Two.

ICZER TWO
Sister... I wanted a partner... Like Nagisa...

* * * * *

BIG GOLD
I'm impressed, Iczer One. No, that was the human's... Nagisa's power... I couldn't compute Nagisa's emotion, but you seem to understand it, Iczer One!

ICZER ONE
Big Gold! I will destroy you!

BIG GOLD
Very well, we are one from the same Universe. The time has come to determine which is the real existence!

BIG GOLD
Die! Iczer One!

ICZER ONE
Let's go, Nagisa!

BIG GOLD
ICZER ONE!!

* * * * *

ICZER ONE

Nagisa, we won. Gold has become a part of me. You taught us to have a human heart... From now on, I will make a journey with Cotuwolf. I must take care of them... I realize your wish. I don't want to leave you, Nagisa. But I will make the Earth as it was, the peaceful planet.

* * * * *

The Earth looks normal now. Nothing is destroyed. At Nagisa's house...

NAGISA

Oh, my God, Mama, why didn't you wake me up!?

MAMA

How much sleep will satisfy you? I DID wake you up on time.

NAGISA

Really?

PAPA

You were watching the late show again weren't you?

NAGISA

Good morning, Papa. I saw "The House of Zombies part 2" last night. It was very scary.

PAPA

Oh? Did you record it.

NAGISA

A-ha.

MAMA

Eat your breakfast, Nagisa.

NAGISA

No, thank you. I don't want to be late. See you!

PAPA

See you later.

* * * * *

On the way to school, Nagisa sees Sayoko and her mother, but neither seems to remember the other. Then, Nagisa meets Iczer One. However, she can not recognize her either.

NAGISA

What is she wearing?

NAGISA

He... Hello?

Nagisa leaves Iczer One.

NAGISA

What IS she??? Good morning! Mami!!

MAMI

We're late, Nagisa! Late for school!

NAGISA
We still can make it, don't give up! Hurry, hurry!

MAMI
Oh, God...

ICZER ONE
Sayonara, Nagisa.

Iczer One enters Cotuwolf's ship, and disappears into deep space.

THE END
